DETAILED ACTION

1. Claims 1-24 are pending in the application.
2. Claims 1-24 have been allowed.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Darren M. Simon on 30 August 2005.

The application has been amended as follows:

Claim 24 (Currently Amended) A program storage device readable by a machine, tangibly embodying an information signal processed by a data processing apparatus that records data, said information signal comprising:

first copy control information showing copy control state of data;

second copy control information showing copy control state of said data set in greater detail than said first copy control information; and

said data proper;

whereby the first copy control information is included in a header section of a data packet and the second copy control information is included in a data section of said data packet.
